

# Cars Puzzles

## Basic Code Sentence Game

Created by: Jenna Rayburn (jenna.rayburn@gmail.com)

Object: Be the first player to cover your Cars puzzle.

Materials: Print all pages included. Laminate all pages. Cut apart the pictures that have sentences on them.

Directions: Student picks one Cars character. Place the appropriate puzzle strips in a pile face down. Students take turns picking one sentence strip. Students read the sentence. If the puzzle piece matches their Cars character they cover their puzzle. If the student has drawn a puzzle piece belonging to another student they must pass it to them!
