Dear Parents,

Below is a sample of the Reading at Home form that your child will bring home to record books read. I have put checks in the boxes to show you what a form **may look like** when completed.

PLEASE: List the name of the book. Put a tally mark in the boxes to indicate how the book was read. You can read all 6 ways with the same book if you like.

*In the early stages, some children have difficulty reading books. You may want to read to your child and help them get points. I encourage your reading to your child even as they become a reader. This is very important!
