

# Twinkle, Twinkle, Little Word

Sung to the tune of "Twinkle, Twinkle, Little Star"

Twinkle, twinkle, little word

If I take off the FIRST sound  
What new word will now be found?  
Take the /sh/ right off of shout.  
Now the new word sounds like...

Twinkle, twinkle, little word  
What's the new word to be heard?  
If I take off the LAST sound  
What new word will now be found?  
Take the /er/ right off of hammer.  
Now the new word sounds like...
