

# THE LOGIC OF ADVANCED CODE

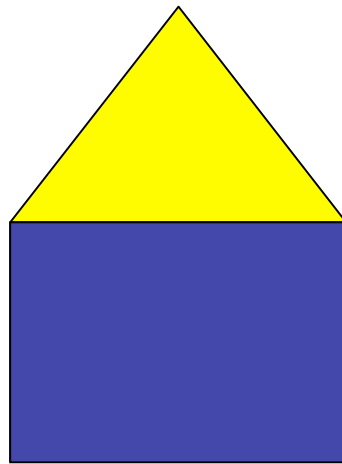

= Triangle

= Square

When asked, children can easily understand what the above symbols mean.

= House

Help children make the logical conclusion two symbols when used together can stand for something completely different when those same symbols are used apart.

"s" = /s/	"h" = /h/	"sh" = /sh/
"o" = /o/ as in hot	"a" = /a/ as in hat	"oa" = /oe/ as in boat
