

Pirate Attack

Target: Use this game to make flashcards more fun! Use in combination with 'Reading Fluency Flashcards' from ReadingResource.net.

Materials: Print pirate ships for each student. Print one copy of the pirate sheet and two of the treasure sheet. Cut apart. Laminate all materials for durability.

Directions: Place treasure and pirates face up on the table while the students are facing the other direction. Cover each piece with one flashcard. Students take turns picking one flashcard to read and discovering if they uncovered a treasure or a pirate! If they uncover a treasure they keep it on their pirate ship. If they uncover a pirate they leave it on the table. The student with the most treasure at the end of the game wins!
