

near the car

a few good men

© Copyright READINGRESOURCE.NET

in the country

© Copyright READINGRESOURCE.NET

it seemed too good

© Copyright READINGRESOURCE.NET

below the water

© Copyright READINGRESOURCE.NET

it's hard to open

© Copyright READINGRESOURCE.NET

keep it up

© Copyright READINGRESOURCE.NET

in the beginning

© Copyright READINGRESOURCE.NET

the light in your eyes

© Copyright READINGRESOURCE.NET

we got together

© Copyright READINGRESOURCE.NET

we saw the food

© Copyright READINGRESOURCE.NET

it's my life

© Copyright READINGRESOURCE.NET

we started the fire

© Copyright READINGRESOURCE.NET

run for miles

© Copyright READINGRESOURCE.NET

do it often

© Copyright READINGRESOURCE.NET

it's time to eat

© Copyright READINGRESOURCE.NET

a second later

© Copyright READINGRESOURCE.NET

talk to my father

© Copyright READINGRESOURCE.NET

sing your song

© Copyright READINGRESOURCE.NET

my family

© Copyright READINGRESOURCE.NET

a very important person

© Copyright READINGRESOURCE.NET

watch the game

© Copyright READINGRESOURCE.NET

so far so good

© Copyright READINGRESOURCE.NET

I like being on the team

© Copyright READINGRESOURCE.NET

the dark night

© Copyright READINGRESOURCE.NET

a few children

© Copyright READINGRESOURCE.NET

watch the river

© Copyright READINGRESOURCE.NET

he started to cry

© Copyright READINGRESOURCE.NET

leave it to me

© Copyright READINGRESOURCE.NET

the first day of school

© Copyright READINGRESOURCE.NET

stay a while

© Copyright READINGRESOURCE.NET

my own father

© Copyright READINGRESOURCE.NET

you might be right

© Copyright READINGRESOURCE.NET

read every story

© Copyright READINGRESOURCE.NET

next time

© Copyright READINGRESOURCE.NET

Will it last?

© Copyright READINGRESOURCE.NET

for example

© Copyright READINGRESOURCE.NET

light the fire

© Copyright READINGRESOURCE.NET

a group of friends

© Copyright READINGRESOURCE.NET

under the earth

© Copyright READINGRESOURCE.NET

both children

© Copyright READINGRESOURCE.NET

the big city

© Copyright READINGRESOURCE.NET

read the paper

© Copyright READINGRESOURCE.NET

a good thought

© Copyright READINGRESOURCE.NET

Is it really true?

© Copyright READINGRESOURCE.NET

until the end

© Copyright READINGRESOURCE.NET

near the sea

© Copyright READINGRESOURCE.NET

read your book

© Copyright READINGRESOURCE.NET

the long list

© Copyright READINGRESOURCE.NET

I miss you

© Copyright READINGRESOURCE.NET

above the clouds

© Copyright READINGRESOURCE.NET

I took the car

© Copyright READINGRESOURCE.NET

with out a care

© Copyright READINGRESOURCE.NET

my feet hurt

© Copyright READINGRESOURCE.NET

next to me

© Copyright READINGRESOURCE.NET

it began to grow

© Copyright READINGRESOURCE.NET

a group of Indians

© Copyright READINGRESOURCE.NET

too soon

© Copyright READINGRESOURCE.NET

an important idea

© Copyright READINGRESOURCE.NET

almost enough

© Copyright READINGRESOURCE.NET

between the lines

© Copyright READINGRESOURCE.NET

don't open the door

© Copyright READINGRESOURCE.NET

add it up

© Copyright READINGRESOURCE.NET

along the way

© Copyright READINGRESOURCE.NET

plants and flowers

© Copyright READINGRESOURCE.NET

something good

© Copyright READINGRESOURCE.NET

plant the trees

© Copyright READINGRESOURCE.NET

those other people

© Copyright READINGRESOURCE.NET

in my head

© Copyright READINGRESOURCE.NET

we left it here

© Copyright READINGRESOURCE.NET

close the door

© Copyright READINGRESOURCE.NET

always be kind

© Copyright READINGRESOURCE.NET

it never happened

© Copyright READINGRESOURCE.NET

once upon a time

© Copyright READINGRESOURCE.NET

we walked four miles

© Copyright READINGRESOURCE.NET

let me carry it

© Copyright READINGRESOURCE.NET

stop the music

© Copyright READINGRESOURCE.NET

the young face

© Copyright READINGRESOURCE.NET

state your case

© Copyright READINGRESOURCE.NET

I cut my self

© Copyright READINGRESOURCE.NET

on my side

© Copyright READINGRESOURCE.NET

the peaceful Indians

© Copyright READINGRESOURCE.NET

the young girl

© Copyright READINGRESOURCE.NET

the tall mountains

© Copyright READINGRESOURCE.NET

a good idea

© Copyright READINGRESOURCE.NET

a long life

© Copyright READINGRESOURCE.NET

white clouds

© Copyright READINGRESOURCE.NET

I hear the sea

© Copyright READINGRESOURCE.NET

I hear the waves

© Copyright READINGRESOURCE.NET

almost four miles
